Grading day change due to Monarchs' Birthday public holiday

Please be aware that the Northam Thursday 26 September meeting will be graded a day earlier on Friday 20 September in conjunction with the Mandurah Wednesday 25 September meeting. Nomination preferences between these two meetings will be accepted.

The Greyhound Racing Department will be open on Monday 23 September for scratchings only.

Feature Race Date & Venue Changes

The latest update from the Cannington trackwork's is that the project is running to schedule.

Therefore, the likely hood of an early return to racing is not in the picture.

A return to racing is anticipated in the last week of October or the first week of November (subject to any unforeseen delays and the completion of trial sessions).

The All Stars will be run on the same dates (October 19 & 26) with the venue being Mandurah over 488m.

The Canning Show Cup is pencilled in for November 2, however this date is subject to change. It will remain a Cannington 600m race and may be moved a week or two later.

The Young Stars has been moved to November 16 & 23 and will be run at Cannington.

The Kanyana Trophy has been moved to November 27 & December 4 and will be run at Cannington

Greyhounds As Pets Update

The next nomination date for GAP is Wednesday 4th September. The nomination link will be open from 9am-12pm.

GRI Dogs

Trainers can call at any stage once they have received clearance from the vet to book their dog on the intake list. The dog will go on the separate intake spreadsheet in order of when they have been nominated. Before admittance to GAP the rehabilitation, team will need to have sighted:

- 8-12 weeks of rehabilitation work
- Vet Clearance of the injury
- Video proof of the dog walking and at a trot

Once the above has been seen by the rehabilitation team and GAP Program Manager then the dog can be moved across to the current month spreadsheet and the date confirmed with the trainer >7 days before entry into the program.

If the greyhound that you are entering into the program has suffered a fracture, break or any other major medical condition or injury please make sure GAP have received the clearance at least 24hrs prior to entry. Clearances need to be on a letter head document from the vet that has completed the surgery or treatment stating that the greyhound is fit to rehome.

Please see below what is required in a clearance letter:

- Greyhounds race name and kennel name
- Microchip Number
- Date of injury
- Type of injury
- Vet(s) that treatment was completed at
- Whas was the treatment of the injury
- Are there any surgical implants in place

- A short paragraph stating the greyhound is fit to home and if any requirements for their new home environment
- Signed and dated by the veterinarian who has completed the check up

If the above cannot be completed in full the greyhound will not be accepted into the GAP program. If your vet would prefer GAP to send them a template to fill in, please let us know.

On the intake booking form please also let GAP staff know of any minor medical issues the greyhound has suffered even if they are no longer causing a problem. This will not likely affect the dog's intake into the GAP program but will help us best set the greyhound up for success in the future.

If a trainer has a dog already nominated on the list and rehomes that dog to a pet home privately then they can replace that spot with another dog they are wishing to rehome. If the trainer rehomes the dog to another trainer to continue racing then the trainer can only replace the greyhound with another greyhound that might be further down the list, they cannot nominate a new dog. If they do not have another dog on the list, then they sacrifice that month's placement. This is to ensure trainers are nominating dogs for GAP intake that they do intend to retire.

Owners can only nominate one dog per month and only if the dog has left the original trainer property and is in boarding elsewhere. This is to ensure trainers aren't using multiple owners to nominate dogs on their behalf that are still within their kennels.

Trainers can find more information about the intake process and the nomination link here <https://www.greyhoundsaspets.com.au/owners-trainers/>. Just a reminder the nomination link will only open the first Wednesday of every month between 9am-12pm.

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes. To enter this scheme the managing owner is required to make a co-contribution of \$250. This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care and rehabilitation.

RACING IN WESTERN AUSTRALIA IS A THRIVING COMMUNITY

At its heart are the wonderful racehorses and greyhounds that bring it to life.

Sheer excitement and enjoyment aside, there is one overriding reason why about 24,500 people are part of the Western Australian racing world.

Animals are everything to us.

We respect and advocate for the animals of the industry, with constantly evolving welfare standards and regulations to protect their wellbeing.

We are passionate people. We are dog people. We are horse people.
