LICENCING & REGO UPDATE

Reminder that Racing WA will no longer issue notices in relation to your greyhound's expiring vaccination.

Trainers/owners are encouraged to utilise My OzChase to check their greyhound's vaccination status.

The My Greyhounds page now includes details showing the Last Vaccinated Date for your greyhound.

This represents the date your Greyhound received its last M12 (initial 12 month vaccine prior to Naming) or the latest AB (annual booster).

The intent of the display is to inform you of the Greyhound's eligibility for racing.

You can find further information on the Help page of your My OzChase account: <https://www.myozchase.com.au/help>

EASTERN STATE VISITORS FOR PERTH CUP & GALAXY

Those industry participants that may have greyhounds entering their kennels for the Perth Cup and Galaxy heats, can you please remind the connections that their greyhounds must be UpToDate with their C5 vaccination boosters.

At the bottom of a meeting page there will still be links to static PDF documents covering the Field Sheet, OOC, Racebook, Results and Steward Reports.

The Greyhound Race Information page will be phased out over the next couple of weeks with web traffic being diverted to the Racing Calendar.

GREYHOUNDS AS PETS UPDATE

GAP are just starting to work on the greyhounds nominated in August. Just a reminder that greyhounds need to have at least three months remaining on their vaccination and have any medical conditions declared with supporting veterinary paperwork provided at time of entry.

Intake requirements for greyhounds that have had a break or fracture

Greyhounds that have sustained a break or fracture prior to entering GAP will need to provide a letter head document (clearance) from the vet stating that the greyhound is fit to home and requires no further treatment for the injury, this should be from the vet that has provided treatment for the injury. If the greyhound has had surgical implants placed, we will need to have this included in the document from the vet. This information will be important to pass on to future owners or if anything arises with the injury. If the greyhound's injury took place before coming into the current trainer's care and they are unable to source the information from the previous kennel, radiographs will be required to determine what (if any) hardware is still present in the leg.

The clearance from the vet needs to state the greyhound is fit to home and not requiring any further treatment along

with information below :

- Date of injury
- What was the injury
- Was the repair surgical or non-surgical and did it require implants?
- Anything that will need to be noted for ongoing care.

Clarification

Just a reminder that trainers can only nominate as per their registered kennel numbers (1,2 or 3 dogs per month). Also, trainers can only replace a dog once and this can only be done if it has been rehomed privately, they cannot then replace the second dog with a third. If the greyhounds position comes up and the trainer chooses to continue racing the dog it cannot be substituted with another dog (even one already on the waitlist) and the spot will be forfeit. The idea of the GAP nomination list is for dogs that are ready for retirement. Nominating a dog for List B allows trainers to continue racing it while it is on the waitlist, but the intention should be for it to be retired once a position is available.

Thank you.

January 2025

NOTICE TO INDUSTRY

Greyhound Serious Injury and Recovery

Summary:

This notice to industry is to inform of the following changes:

1. An increase to the support available under the Greyhound Recovery Initiative for greyhounds sustaining eligible injuries.
2. The introduction of a rebate available to owners of retired greyhounds (post-adoption) to support the cost of surgical implant removal following recovery from eligible injuries.
3. The introduction of a New Local rule L21 Care of Greyhounds injured at a racecourse.

Changes to the Greyhound Recovery Initiative (GRI)

The Greyhound Recovery Initiative (GRI) is available to provide funding towards the off-track veterinary diagnosis, treatment and rehabilitation of a greyhound that has sustained an eligible injury at a race meeting or public trial.

The scope of the terms of the GRI Policy will be increased, as detailed in the below table.

Greyhounds that sustain an eligible injury on or after 1 January 2025 will be covered under the amended policy.

Previous policy	Updated policy
Where the greyhound is treated surgically, eligible veterinary costs for treatment will be funded up to \$5500 .	Where the greyhound is treated surgically, eligible veterinary costs for treatment will be funded up to \$7500 .

In response to feedback from industry, the availability of veterinary clinics with an arrangement in place to invoice Racing WA directly for GRI-eligible diagnostic and treatment costs will be expanded. The updated list will be shared with licenced trainers via SMS and displayed at each track.

Rebate availability for surgical implant removal

A rebate is introduced to ensure that owners of retired greyhounds that have sustained a GRI eligible injury receive appropriate financial support for implant removal if required.

Racing WA will reimburse the cost of the implant removal surgeries, up to a maximum of \$2000 per greyhound. The purpose of this is to ensure that the cost of such procedures does not act as a deterrent to adoption or fall to greyhound adoption groups or the public. Participants privately rehoming greyhounds that have a surgical implant in place following recovery from a GRI-eligible injury must disclose this to the adopter and are requested to refer adopters to the Racing WA website or to email animalwelfare@rwwa.com.au.

QUALIFYING TRIALS

All Qualifying Trials are conducted prior to the first race at the respective race meetings, unless otherwise advertised. The number of Qualifying Trials drawn may vary depending on the number of races drawn and the number of spare kennel bays.

Should nomination numbers warrant, consideration may be given to conducting trials on the backup days of Thursday (Mandurah) and Saturday (Cannington) utilizing surplus nominations. Alternatively a stand-alone Qualifying Trial session may be considered.

NOTES

RACING IN WESTERN AUSTRALIA IS A THRIVING COMMUNITY

At its heart are the wonderful racehorses and greyhounds that bring it to life.

Sheer excitement and enjoyment aside, there is one overriding reason why about 24,500 people are part of the Western Australian racing world.

Animals are everything to us.

We respect and advocate for the animals of the industry, with constantly evolving welfare standards and regulations to protect their wellbeing.

We are passionate people. We are dog people. We are horse people.
