## LICENCING & REGO UPDATE

Reminder that Racing WA will no longer issue notices in relation to your greyhound's expiring vaccination.

Trainers/owners are encouraged to utilise My OzChase to check their greyhound's vaccination status.

The My Greyhounds page now includes details showing the Last Vaccinated Date for your greyhound.

This represents the date your Greyhound received its last M12 (initial 12 month vaccine prior to Naming) or the latest AB (annual booster).

The intent of the display is to inform you of the Greyhound's eligibility for racing.

You can find further information on the Help page of your My OzChase account: <https://www.myozchase.com.au/help>

## GAP UPDATE

GAP is currently working through September/October nominated dogs. Please ensure you have any relevant medical paperwork or clearances ready and that any vaccinations have at least three months remaining. Trainers must present with original paperwork, including vaccinations or any sterilisation/dental certificates. If the originals have been sent to RWWA then trainers must organise replacements themselves – GAP will not chase up copies of any paperwork and the greyhounds cannot enter unless these have been provided.

GAP has had a significant increase in the number of dogs presenting with hookworm shortly after arrival. Please ensure you are regularly using a working treatment that includes hookworm. If your greyhound shows signs of discoloured or abnormal smelling diarrhoea, please treat accordingly

The next nomination date will be the 4th of June from 0900 – 1200, please find the link for more information here <https://www.greyhoundsaspets.com.au/owners-trainers/>

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

The GIFRS was discontinued on 1 February 2024, however greyhounds that entered the scheme prior to this date may continue to have updates to their rehabilitation and rehoming status and will therefore continue to be reported. Under GIFRS, the ownership of a greyhound that sustained an eligible injury at a race meeting or official trial was transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound was transported to emergency care and all associated costs of surgery and rehabilitation covered by RWWA. If suitable, the greyhound is then rehomed post recovery through GAP's standard processes.

# WE'RE RACING TOWARDS BETTER.

Whether that means better animal welfare, better days out, better support for local economies or better integrity measures – **we're doing everything we can to make racing better.**

Because what we do isn't just about the thrill of the race, it's about the never-ending effort we put into making those races possible. We celebrate the community that racing connects, knowing it links us in meaningful ways. It's why we work so hard – so that all of WA can enjoy racing now, and into the future.

We're proud of the progress we've made as an organisation over the years, **but we're not slowing down anytime soon.**

Our animal welfare standards are better than best practice, but constantly evolving. With values-led integrity and governance, we ensure racing is fair for all, every time. Last year alone, our sport employed some 20,000 people, providing more than \$1.3 billion to the Western Australian economy.

There's no finish line in the race towards better. It's the race that excites us the most, and it's what keeps us passionate, **so that everyone can responsibly enjoy racing for generations to come.**

We all love racing, so join us, in the **race towards better.**

BETTER**
