## TWO NEW GREYHOUND POLICIES (EFFECTIVE 1 AUG 2025)

The Safe Return to Racing Policy (SR2R) is now live. The Policy applies to greyhounds that sustain an injury on or after 1 August 2025.

The Policy applies to greyhounds that meet ALL THREE of the following criteria:

- Has had a musculoskeletal clinical finding (any stand down period) established by an OTV at the last examination or any veterinarian following off course assessment; and
- Has had an absence from racing and official trials of 21 days or more; and
- Is aged 30 months or older on the date they intend to return to racing or an official Steward's trial.

**OR** any other greyhound that is directed by a Steward to undergo off-track veterinary review prior to returning to racing.

The Greyhound Medical Imaging Policy (AWP026) provides trainers or owners with a rebate of up to \$300 for the cost of medical imaging (e.g. X-rays) of the hock region, if the procedure is recommended as part of a veterinary clearance assessment under the SR2R.

## Policy documents

**Greyhound Safe Return to Racing Policy:** Industry Essentials, Greyhound Rules and Policies.

**Veterinary Clearance Certificate - Greyhound: Industry Essentials:** Veterinary Notices or hard copies are available at each racing track.

**Greyhound Medical Imaging Rebate Policy and Application Form:** email [animalwelfare@rwwa.com.au](mailto:animalwelfare@rwwa.com.au).

## GAP UPDATE

As per the new Part C – Veterinary Declaration on the Notice of Retirement, GAP will require trainers to bring a signed copy of this when they bring their dogs for intake

## Notice to Trainers

In recent weeks, there has been a spike in the number of greyhounds presenting with or developing diarrhoea within 48 hours of arrival to GAP. As part of the management response GAP has begun faecal testing greyhounds on arrival, and in the past two weeks a significant number of greyhounds have presented with hookworm. It is important to review your deworming protocols to ensure they well timed and that the product being used is effective to treat hookworm. If you are unsure, please consult your veterinarian for advice, or visit the RWWA Veterinary Notices section of the Racing WA website for general information regarding management of gastrointestinal

## INQUIRY INTO WA GREYHOUND RACING

The Legislative Council's Environment and Public Affairs Committee has announced an inquiry into the code, which will examine areas including:

- Industry practices and operations
- Governance, compliance, and enforcement
- Data collection and reporting
- Rehoming and post-racing care
- Other relevant matters

RWWA sees this inquiry as an opportunity to demonstrate the industry-leading standards we have set in areas such as animal welfare, while also reinforcing the broader social and economic value that greyhound racing delivers to WA.

We are preparing a submission which reflects the industry's efforts and commitment to animal welfare, transparency and sustainable practices.

Submissions are due by 17 November, and we encourage everyone in industry to take the time to make a submission. Of course, better than anyone, you know the importance of greyhound racing, so please be sure to make a submission which captures your passion and demonstrates the importance of greyhound racing.

A submission can be lodged here via the Parliament of WA website.

RWWA is working with the Racing and Gaming Minister's Office and will continue to keep you updated as the process moves forward.

# GREYHOUND RACING'S INAUGURAL TAXATION REPORT REVEALS SIGNIFICANT ECONOMIC CONTRIBUTION

A recent study commissioned by Greyhounds Australasia (GA) reveals that the Australian greyhound racing industry is a major economic contributor, generating a total of \$731.4 million in taxation for federal, state, and local governments in FY23. This impressive figure includes both direct and first-round taxes generated by the industry's activities across the country.

**The report, completed by IER and supported by Responsible Wagering Australia (RWA), demonstrates that after accounting for government funding received by the industry, the net tax contribution stands at a significant \$645.8 million, across all levels of Government.** The analysis further breaks down these contributions by jurisdiction, highlighting the industry's widespread financial impact.

"The study demonstrates the substantial financial benefit the greyhound racing industry provides to communities and governments across Australia," said Simon Stout, CEO of Greyhounds Australasia. "The tax revenue generated supports a wide range of public services and infrastructure, underscoring the industry's vital role in the national economy."

Key jurisdictional highlights from the report include:

**New South Wales:** The state was the leading contributor, with a total tax generation of \$234.7 million and a net tax contribution of \$221.3 million.

**Victoria:** The industry in Victoria generated \$216.3 million in total tax, with a net tax contribution of \$198.3 million.

**Queensland:** Queensland contributed \$136.4 million in total tax, with a net tax contribution of \$97.9 million.

**Western Australia:** The Western Australian industry generated \$62.8 million in total tax, resulting in a net tax contribution of \$53.2 million.

**South Australia:** With a total tax generation of \$44.5 million, South Australia's net tax contribution was \$43.8 million.

**Tasmania:** Tasmania's greyhound racing industry generated \$15.8 million in total tax, with a net tax contribution of \$10.4 million.

**Northern Territory:** The Northern Territory contributed \$14.6 million in total tax, with a net tax contribution of \$14.6 million.

**Australian Capital Territory:** The Australian Capital Territory generated \$6.2 million in total tax, resulting in a net tax contribution of \$6.2 million.

The report's findings are based on an assessment of taxation impacts in 2022-23 and include taxes from various sources such as wagering, corporate and personal income taxes, and net GST. The full report provides a detailed overview of the economic and taxation impacts of the greyhound racing industry in Australia.

## Industry at a Glance

The report also provides a snapshot of the industry's size and scope, revealing its broad economic reach:

- **The greyhound racing industry has a value-added contribution to the Australian economy of approximately \$2.45 billion.**
- It supports **14,694 full-time equivalent (FTE) jobs across the country.**
- There are 56 greyhound racing clubs nationwide, which hosted over 4,200 race meetings and more than 47,500 races in 2022-23.

This inaugural report provides a comprehensive look at the greyhound racing industry's role as a significant economic contributor to the Australian economy and government revenues.

# NOTES

# WE'RE RACING TOWARDS BETTER.

Whether that means better animal welfare, better days out, better support for local economies or better integrity measures – **we're doing everything we can to make racing better.**

Because what we do isn't just about the thrill of the race, it's about the never-ending effort we put into making those races possible. We celebrate the community that racing connects, knowing it links us in meaningful ways. It's why we work so hard – so that all of WA can enjoy racing now, and into the future.

We're proud of the progress we've made as an organisation over the years, **but we're not slowing down anytime soon.**

Our animal welfare standards are better than best practice, but constantly evolving. With values-led integrity and governance, we ensure racing is fair for all, every time. Last year alone, our sport employed some 20,000 people, providing more than \$1.3 billion to the Western Australian economy.

There's no finish line in the race towards better. It's the race that excites us the most, and it's what keeps us passionate, **so that everyone can responsibly enjoy racing for generations to come.**

We all love racing, so join us, in the **race towards better.**
