GENERAL INFORMATION:

- RWWA registers leases for racing purposes. RWWA is not a party to the leases it registers. RWWA's registration of a lease does not of itself create any proprietary rights.
- UN-NAMED THOROUGHBREDS OR GREYHOUNDS CANNOT BE LEASED.**
- A lease is a private agreement between Lessor and Lessee which creates proprietary interests between the parties to the lease. If any dispute arises concerning a lease it is a matter for the parties to settle themselves either in the courts or through mediation. RWWA has neither the jurisdiction, nor expertise to determine the private rights of parties in a lease dispute. RWWA's only role is to manage its ownership registration system, ensure compliance with the Rules of Racing and determine the eligibility of horses/greyhounds to race. Legal advice should be sought in the case of a dispute.
- Even though the Terms & Conditions state that the Lessor can recover possession of the horse/greyhound if the lease is breached, this right is not absolute and a court may intervene and grant relief from forfeiture to the lessee if it is just to do so.
- Insurance of the horse/greyhound is the responsibility of the Lessor.
- A *GST Declaration Form* must be completed and returned with this lease agreement.
- Electronic documents are accepted.
- Do not use correction fluid/tape to alter documentation,**
- Managing Lessee and Managing Lessor must advise RWWA Licensing immediately of any change to contact details.
- The document must be lodged **within 7-days of the "commencing date" and no later than 24 hours prior to the animal being entered for a race.** Failure to do so will incur the specified late lodgement fees.
- If this agreement is terminated under provision of Claus 3 (I) of the Terms and Conditions, the Managing Lessee and Managing Lessor must immediately lodge a *Cancellation of Lease Form*,
- Any corrections/alterations to the lease agreement must be initialled by the Managing lessor and Managing lessee.

9. LEASE DISPUTES

RWWA ACCEPTS NO RESPONSIBILITY WHATSOEVER for the due observance of the terms and conditions of the lease, or any such failing thereto, and provides no warranty whatsoever as to the accuracy, truthfulness, or legal efficacy or enforceability of any such provisions of the lease. **RWWA STRONGLY ADVISES LESSOR/S** against signing the Lease Agreement but leaving blank the “Commencing” or “Expiry” date or Rental particulars for the Lessee/s to complete. Furthermore, the onus is on Lessor’s to establish the number of Lessees and their identity and to ensure only their names appear on the Lease Agreement.

“SPECIAL CLAUSES”

To obviate disputes over the terms of the lease agreement, Special Clauses must be carefully phrased in unequivocal language. Dispute resolution through the Courts can be an expensive and not always satisfactory procedure; therefore all persons involved in the lease agreement must consider carefully the implications of any special clauses before they are inserted in the agreement. In case a dispute should arise it may be appropriate to agree in advance that a dispute be first referred to arbitration by a neutral person, with such provision incorporated in the lease itself or in a letter of agreement. Such agreement should also provide for the costs of the arbitration and whether either party is entitled to legal representation.

Unless there is a possible breach of the Rules, in which case the matter will be referred to the Stewards for investigation, RWWA will not be involved in resolving disputes.

10. APPOINTMENT OF MANAGER

A Manager must be appointed where there is more than one Lessee. The manager is given wide discretion under the respective rules of racing which take precedence in such matters to obviate disputes over such matters as the selection of a trainer and where and when the animal should race or be spelled, etc. Careful consideration of all such matters by reference to the rules of racing prior to the agreement taking effect will avoid disputes at a later time. The appointed Manager has sole discretion, alone of the joint owners and acting on their behalf, in matters including but not limited to:

- (a) the entry, nomination, acceptance or scratching of such animal for any race;
- (b) engagement of a jockey to ride such horse for any race;
- (c) receipt of any prize money or trophy won by such animal;
- (d) act for and represent the joint owners, lessees or Syndicate members in relation to the animal in all respects for the purpose of these Rules.

The appointed manager, subject to the Rules of Racing that provide for the removal or replacement of manager, shall be the first-named person recorded against the ownership of the animal on the Certificate of Registration, Lease Agreement or Syndication registration as the case may be. The following conditions apply with respect to the manager:

- (1) The Manager may be removed or replaced by a memorandum signed by the joint owners or lessees or Syndicate members representing a majority interest of greater than 50% in the animal.
- (2) The entry or nomination of every such animal for any race shall state thereon the name of the Manager.
- (3) The trainer of any such animal who enters, nominates, accepts or scratches such animal shall be deemed to have done so with the authority of the Manager and all the other nominators.

11. PERSONAL INFORMATION

To assist in making ownership determinations, the **Deputy Registrar** must assess the fitness and propriety of each applicant. If a signatory to this Agreement is unable to make the declaration on page one, he/she must notify the Deputy Registrar in writing prior to the lodgement of the Agreement. Such notification must include full details of the conduct in question. The Deputy Registrar will advise in writing within seven days of having received such notification. That advice should be retained by the applicant as evidence that the appropriate notification has been made.

All signatories are advised that should it be established that an individual has neglected or failed to truthfully make the declaration on page one, this application and any other application concerning the individual may be refused or cancelled at any time. If the notification has previously been advised to the Deputy Registrar, there is no need to do so again unless subsequent charges or convictions have been recorded against a person since the person submitted said notification to the Deputy Registrar.

A Principal Racing Authority or the Stewards may, in accordance with the relevant Rules of Racing punish any person who makes any false or misleading statement or declaration in respect of any matter in connection with the administration or control of racing. Inaccuracies or omissions may also lead to penalties and refusal or cancellation of the Registration of this animal or lease
