## How to complete a Horse Status Update.

Commencing the Horse Status Update – only the Trainer or Managing Owner may initiate the update.

- 1. Log into Harnessweb.
- 2. Select *Ownership,* then *Update Horse Status* from the dropdown options.
- **3.** Identify and select the horse that requires an update, select '*No*' to the question asking if you want to retain the status and select the reason from the drop-down menu. Then click '*NEXT*'. \*Please note if you cannot find the correct horse please change the filter to show all horses.

Horse Status updates are critical for the the participants by maintaining an up-to Only a barac(a) managing super or its t	industry to fulfil its welfare and traceabi date record of a horse's location and w	ility obligations. ho is responsib	Providing regular, timely le for that horse(s) care at	updates protects both the horses an t that point in time.
